

Rocky Mountain Splash Information

Thank you for your interest in synchronized swimming with the Rocky Mountain Splash!

We have been competing in Colorado for over 30 years and currently have over 35 swimmers led by 6 talented coaches. The team spans many levels and experiences: while some of our swimmers have only been with us for a year, others have been swimming with Splash for over 10 years. Our youngest athlete is six and our oldest athlete is 19. Although synchronized swimming is traditionally a female-dominated sport, we have had a few young men on our team in the past.

Competitive synchronized swimming is a year-round sport with a short break in the summer. The season begins in September with our first competition in October. Starting in February, meets occur on a monthly basis through the end of June. Swimmers have the month of July off before informal "pre-season" optional practices begin in August.

Athletes are divided into teams based on age and ability. Our new swimmers have the option of practicing one day a week on Saturdays or two days a week on Thursdays and Saturdays. Our oldest, most experienced swimmers practice four days a week on Tuesdays, Thursdays, Saturdays, and Sundays. All practices are typically held at Hinkley High School in Aurora.

Members of the Rocky Mountain Splash pay monthly dues and are required to work bingo to finance pool rental, coaching fees, meet fees, competition suits, and some travel expenses. The dues cost and bingo obligation depends on the commitment level of the swimmer. Athletes practicing one day a week pay \$129 a month and work one bingo session every six weeks. Athletes practicing four days a week pay \$216 a month and work 2-3 bingo sessions every six weeks. We do offer a discount to families with more than one sibling on the team.

We'd love to have you join us!
